Overseas Expert Column by Brett Davis

KING OF THUNDER was sent to Melbourne earlier than his fellow Sydney sider EL CASTELLO and performed admirably in the G3 Moonee Valley Vase. With a taste of the race changing direction and vital experience gained from a trip away he's effectively one step ahead. The big spacious track at Flemington shall be largely beneficial to this big striding son of TIVACI, and it's highly anticipated he'll thrive on the rise in trip. Nevertheless, he must learn to switch off in the run, if he does, he's a massive chance of taking the coveted prize.

EL CASTELLO lines up as the highest rated runner in this year's G1 Victoria Derby following a hard fought win in the G1 Spring Champion Stakes at Randwick. That makes him the horse to defeat on ratings, but there are many different variables that potentially stand in his way. It's his first trip away from home, his first attempt going the anticlockwise direction and importantly his first attempt at famous Flemington over 2,500m.

RED ACES had all favours when winning the G2 Moonee Valley Vase, but he'll be the recipient of that same scenario again. He's bred to cover the 2,500m with ease and has enjoyed the perfect preparation leading in, with a lovely barrier draw giving him everything he needs. Jamie Mott knows him well, so everything appears ready to go, however, the query maybe his resistance to the closing power of the oppositional attack.

SAINT EMILION won a maiden at Goulburn over 1,600m third up this preparation before winning the Listed Geelong Classic over 2,200m. He gave the opposition a start and a beating that afternoon with a visually electrifying display. How he copes with a G1 blue ribbon event at Flemington at his next start is a fascinating unanswered question, but he's armed with x-factor potential and therefore best kept safe.

GOLDRUSH GURU is the best middle distance 3YO from South Australia and a comprehensive winner of the Listed Hill Smith Stakes at Morphettville. That particular event has produced many a sound performance going into this classic contest, and even thrown out an explosive winner. He's a smashing good type with everything in the right spot and the trainer, along with connections, are proven at the 2,500m.

 Likely Positions After Settling

Pace: GOOD

Big pressure into the first corner with plenty of horses drawn wide in the big field that have shown tactical pace. That should create plenty of pressure and a true test over the staying trip. RED ACES and KING OF THUNDER draw to get quiet runs and will be weaving through traffic to strike as they come through the corner.
