Benevolent Fund and Jockeys' Accident Compensation and Insurance Schemes

The Benevolent Fund

Rule 164. The Club maintains a fund under the name of the Benevolent Fund for the relief of trainers, jockeys, apprentices, work-riders and their dependants. The Stewards of the Jockey Club may make grants out of the fund to any person who at any time has held a permit to ride or to such other persons who may be approved by the Stewards of the Jockey Club or to their dependants whether or not any such person or dependant has a claim on the Jockeys' Accident Compensation Scheme.

Rule 165. The fund shall be under the charge of the Stewards of the Jockey Club and shall be administered by them in their discretion.

Rule 166. The balance of the fund will be maintained at a level to be decided by the Stewards of the Jockey Club from time to time. All licence fees and fines received by the Registry Office and any other sums that the Stewards of the Jockey Club may direct will be credited to the fund until the laid down balance is reached. Thereafter licence fees and fines will be applied to the general administration of racing as the Stewards of the Jockey Club may direct.

The Jockeys' Accident Compensation Scheme

Rule 167. The Club maintains and administers a scheme known as the Jockeys' Accident Compensation Scheme ("the Scheme") to provide jockeys and apprentices a daily allowance for injury and a lump sum benefit in the event of death, permanent total or permanent partial disablement resulting from an accident occurring whilst the injured jockey or apprentice is carrying out his duties riding in races or riding work on any racecourse under the control of the Stewards of the Jockey Club. In exceptional circumstances the Stewards may also make ex-gratia payments to such injured jockeys or apprentices out of the Scheme. The Scheme will continue to be in force until such time as the Stewards of the Jockey Club may determine.
