

Void Races

- Rule 106.** (1) Unless elsewhere provided in these Rules, if a race has been run by all the horses at wrong weights; or over a wrong course; or if the race has been started in front of the starting stalls or post; or if the Starter has declared a false start and is unable to so notify the jockeys, the Stewards shall order the race to be abandoned and thereby declared void.
- (2) If the race be run before the appointed time or if no qualified horse covers the course in accordance with these Rules the race may be declared void.

Walking Over

- Rule 107.** It shall not be necessary for a horse to “walk over” the entire course if only one declared runner is available to start in a race, but that horse shall be ridden past the Judge’s box and shall then be deemed the winner.

Dead Heats

- Rule 108.** When horses run a dead-heat for first or any lower place the sum of the prizes available for those horses had they not dead-heated but had finished in successive places shall be divided equally between the owners of such horses, and the dead-heat shall not be run off.
- Rule 109.** Each horse that divides a prize for first shall be deemed a winner.
- Rule 110.** When a dead-heat is run for second place or minor placings and a protest/objection is made and sustained to the winner or other placed horses of the race, the horses which ran the dead-heat shall be deemed to have run a dead-heat for first, second, third, fourth place or any other placing as applicable.
- Rule 111.** If the dividing owners of dead-heating horses cannot agree as to which of them is to have a cup or other prize which cannot be divided, the question shall be determined by lot by the Stewards, who shall decide what sum of money shall be paid to the other owner by the owner who takes such cup or other indivisible prize.
