

3.8 Other Rider Equipment

All jockeys riding in races shall wear breeches approved by the Stipendiary Steward or the Club's Official, which generally display their first initial and surname on each thigh in both Chinese and English.

No rider shall wear any apparel or use any equipment in training which has not been approved by the Stewards

Unless otherwise approved by the Stewards of the Jockey Club, no licensed person shall wear any item of clothing displaying any advertising material on raceday or in training.

Rule 89. The following articles shall be put on to the scales with the jockey when he is both weighing-out and weighing-in: —

- (1) Everything carried or worn by the jockey and by the horse in a race except the number cloth, helmet, cloth cap, whip, goggles, bridle (including noseband), rings, muzzle, hood, blinkers, visor, pacifier, martingale, breastplate, neck strap and anything worn on the horse's legs or hoofs.
- (2) No person, without the permission of the Stewards, shall add to, remove from, or change any equipment with which the jockey has been weighed. The Stewards may require the jockey to re-weigh if any alteration is made.
- (3) If a jockey intends to carry overweight in accordance with these Rules he must declare the amount thereof at the time of weighing-out or if in doubt as to his proper weight he may declare the weight he intends to carry.
- (4) To compensate for the mandatory wearing by jockeys of safety vests the scale shall have factored into it an allowance of two pounds, and the jockey shall weigh-out at the declared weight.

***** END *****

In the event of any inconsistencies between the Chinese translation of this Gear Register and this English version, this English language version shall prevail.
